WAYNE SOUTH, EPS

We have had a long association at Savills with Wayne South of EPS. In fact, he is the only electrician that we regularly recommend.

On every occasion we have found him easy to contact, and no matter whether the job is large or small, he is very efficient and reliable in carrying it out.

I have never had a complaint about his work over the years and I therefore happily recommend him to friends and work colleagues.

A handwritten signature in blue ink, appearing to be "Rick Westmore", written in a cursive style.
