Re: Electrical Property Services (E.P.S.) Limited

Newell Plumbing Services Limited is pleased to be able to provide a testimonial for Wayne South and his team at E.P.S.

We have been associated with E.P.S. for many years now and call upon them to carry out much of our plumbing associated electrical works. We have always found them to be very professional in their approach to our customers and the standard of their workmanship is first class. I would therefore have no hesitation in recommending them.

Yours faithfully,

David M. Newell
Managing Director
