## WHOLESALE MERCHANTS OF ELECTRICAL EQUIPMENT TO THE TRADE

OUR REF;

YOUR REF;

To Whom It May Concern:

06/02/08

E.P.S Ltd have had a trade account for a number of years with us and prior to that Wayne South had an account for over 10 years.

In that time our business has grown steadily and we have got to know them very well. I have passed on several contacts over the years who have always been very satisfied with the quality, speed and way the jobs have been carried out.

Their trading terms are always adhered to. And I would be happy to recommend them for credit.

On a personal note when I have needed electrical work carried out E.P.S Ltd Have always been at the end f the phone and helped me out a number of occasions no matter what time I called and again in a very professional manner.

Yours truly,

Darren Wiggs.
